The Nan-ching-Shang-hai-Hang-chou Garrison Headquarters is rushing work to improve communications between Chekiang and Kiangsi. Surveys in progress on the Fukien-Kiangsi Railway will soon be finished. Construction work will be started first on the Ying-t'an-Man-ch'eng section.

The Fu'ien Provincial authorities have ordered the hsien governments, along the routes of the projected Pacification Highways, to furnish labor crews in order to finish the earth work by specified dates.

The important main-line highway from Hang-chou in Chekiang to P'u-ch'eng in Fukien, which had been controlled by the provincial authorities, has now been placed under the control of the National Highway Authority because of its importance in the present critical situation.
